

## **PRESS RELEASE OF VIOHALCO SA**

**Brussels, 29 June 2015**

*The enclosed information constitutes regulated information as defined in the Law of 2 August 2002 and the Belgian Royal Decree of 14 November 2007 regarding the duties of issuers of financial instruments which have been admitted for trading on a regulated market.*

The Company is dealing decisively with the difficulties resulting from the Greek government measures. The going concern of its industrial and commercial operations is ensured thanks to the prevailing exportation character of most of the subsidiaries. All plants located in Greece and elsewhere keep working normally.

### **About Viohalco**

*Viohalco SA is the holding company of various metal processing companies in Europe, based in Belgium. With production facilities in Greece, Bulgaria, Romania, Russia, FYROM and the United Kingdom, Viohalco's subsidiaries specialise in the manufacture of aluminium, copper and cables, and steel and steel pipes products, generating an annual revenue of EUR 2.9 billion. In addition, Viohalco and its companies own substantial real estate properties in Greece and have redeveloped some of its properties as real estate development projects.
